Re: *Petition for Approval of Interconnection and Resale Agreement between United Telephone-Southeast, Inc. and Premiere Network Services, Inc. (Docket No. 01-00965)*

Dear Mr. Wright:

In recent deliberations on interconnection agreements filed for approval, questions have arisen regarding inconsistencies between the agreement and previous Authority decisions. Therefore, we request that parties to such agreements begin providing such information upon filing interconnection and/or resale agreements for approval.

Please provide, by 12:00 noon on December 17, 2001, a document outlining any areas of the agreement referenced above that are inconsistent with previous TRA decisions. Additionally, all future interconnection and/or resale agreements should explain in detail, as part of the filing, any areas of the agreement that differ from previous Authority decisions.

If you have any questions concerning this matter, or require additional information, please contact C.D. Mundy at 615-741-2791 ext. 166

Sincerely,

David Waddell
Executive Secretary
